

# Soft Leadership Skills for Aspiring Principals

## Overview

This program enables aspiring principals to fine-tune their leadership and ready themselves to apply for their first principalship.

## Learning objectives

- Get clear on your natural leadership style and how you want to come across as a leader
- Learn how to flex your leadership to respond to different situations
- Explore what holds you back as a leader and how to unblock this
- Gain new strategies for engaging key stakeholders and apply these right now
- Learn how to hold difficult conversations with confidence, sensitivity and rigour

## Who is this for?

Those considering applying for a principalship role

## Key content

- Leadership archetypes
- Values lifeline
- Sharing your leadership with others
- Mindtraps & personal resourcefulness
- See Hear Speak
- Perceptual positions
- Finding your authentic power
