

Level Two coach training

Coach

Overview

This program enables leaders to develop the talent in their team, tap into their natural coaching style and learn from a professional leadership coach.

Learning objectives*

- Unlock potential in your team members, helping them get more confident and competent in their roles
- Tap into your natural coaching style to hold great coaching conversations
- Practice flexing your coaching style to meet the needs of different individuals
- Know how to succeed with more challenging individuals
- Learn the art of coaching by experiencing a professional coach in action

* Varies slightly depending on delivery format
