

Personal Resilience

Overview

This popular one-day workshop affords an opportunity for busy educators to develop their own strategies for building personal resilience, focusing on areas within their control – managing their own state, handling difficult relationships and renewing their sense of purpose.

Learning objectives

- Become more aware of your state and how triggers can impact you
- Identify your typical 'Mindtraps'
- Learn a practical tool for managing your state when under pressure
- Handle difficult relationships with greater ease, so they don't drain you
- Reflect on what brings you motivation and job satisfaction and how you can bring more of this into your day-to-day
- Get clear on your 'winning formula' for work-life balance

Who is this for?

All adults working in the education system – executives, leaders, teachers and support staff

Key content
